*“India’s future will be shaped in her classrooms”,
Dr. Saravalli Radhakrishnan .*

It gives me great pleasure to extend my best wishes to the entire Smt. M.M.K. College family. Since its inception in 1961, the College has been providing quality education to students in accordance with its objective. I am confident that our students will go on to make a positive impact on society and achieve their goals with right kind of guidance and efforts made by the faculty. It has been rightly stated by Jilian Michaels, “It is not about perfect. It is about effort. And when you bring that effort every single day, that is where transformation happens. That is how change occurs.”

Today, we honour our founding fathers and show our gratitude to them for their dedication and selfless services in nurturing this institution.

M.M.K. College has developed into a vibrant and dynamic institution largely because of the dedicated and innovative endeavors of its faculty, and the nonteaching staff and students, under the energetic leadership of Principal Prof.(Dr.) CA Kishore S. Peshori.

I take this opportunity to renew our commitment to making the College a center of excellence for commerce and management courses, as well as fostering a sense of value and zeal to social causes by igniting the students’ minds and unleashing the power within.

Looking forward, we have many initiatives underway. We are committed to fostering a culture of creativity, diversity and excellence that will inspire future generations of students and leaders. We believe in exploring the untrodden path and leaving a trail.

I wish the students who will be attending this college a successful academic career. My word of advice to them “Make the most of the best and the least of the worst”, Our teachers, who are . up to date on the latest technologies and trends in higher education, are eager to assist you in reaching your objectives.

My best wishes to the entire MMK College fraternity
